LETTER OF APPRECIATION

This is to certify that Prof. Dhiraj Gupta, Consultant Cardiologist & Electrophysiologist, Liverpool, U.K., successfully conducted one day workshop on “Q Dot Micro technology for Atrial Fibrillation Ablation” on 26.03.2026 at Fortis Escorts Heart Institute, Okhla Road, New Delhi. The Session included Two Live Cases that covered pre-case planning, procedural demonstration and hands on guidance followed by discussion on the practical applications of the technology. His expert insights, practical guidance, and engaging teaching during the workshop significantly enhanced the knowledge and skills of all participants.
