Dear Dr. Gupta,

Greetings.

It was a pleasure having you with us at Zydus Hospitals for the Atrial Fibrillation (AF) Ablation Workshop held on 31st March and 1st April.

On behalf of our entire team, I would like to sincerely thank you for your valuable contribution as faculty. Your expertise, insights, and hands-on guidance during the live ablation cases were immensely enriching for our team and added great academic and clinical value to the workshop.

Your presence has been instrumental in strengthening our efforts towards building a dependable and comprehensive AF ablation program at our center. The interactions and learning from these two days will have a lasting impact on our practice and patient care.

We truly appreciate your time and support, and we look forward to many more such academic collaborations in the future.

Warm regards,

Dr. Niraj Yadav
